

23313736 Discharge And Suction Air Conditioning Hose GMC Chevrolet Malibu 17-19

Our Product Introduction

for more products please visit us on futureacparts.com

Basic Information

- Place of Origin: China
- Brand Name: Freedom Future
- Model Number: 23313736
- Minimum Order Quantity: Negotiable
- Price: Negotiable
- Packaging Details: standard packing, as customer demands
- Delivery Time: 7 - 15 working Days
- Payment Terms: L/C,T/T,etc.

Product Specification

- Pressure Rating: Up To 300 Psi
- Color: Silver
- Temperature Range: -40°C To 140°C
- Weight: Lightweight
- Oem Part Number: 23313736
- Material: Aluminum
- Resistance: Corrosion Resistant
- Durability: High
- Highlight: Discharge And Suction Air Conditioning Hose,
23313736 Air Conditioning Hose

Product Description

23313736 Twin Air Conditioning Hose GMC Chevrolet Malibu 17-19

Product Description:

Our automotive air conditioning piping system is mainly composed of the following core components: aluminum pressure plate, aluminum pipe, rubber pipe, filling valve, sealing ring.

Performance advantages

Low-noise operation: optimized pipeline design effectively reduces refrigerant flow noise

Fast cooling: efficient heat exchange design, refrigeration response speed increased by 30%

Energy saving and environmental protection: low resistance design reduces compressor load and has significant energy saving effect

C 型空调软管 Type C Air Conditioner Hose

适合制冷剂 / Applicable refrigerant
R134a, HFO-1234yf

Technical Parameters:

Shape	Bar
Temperature Range	-40-140 Degrees Fahrenheit
Connection Type	Withhold
Durability	Durable
Pressure Rating	200 Psi
Corrosion Resistance	High
Compatibility	Compatible With Most A/C Systems
Color	Silver/Black
Weight	1.5 Lbs
Flexibility	Flexible

Company Profile

We are a technology company specializing in the research and development, production and sales of automotive air conditioning pipe systems. We were established in 2004 and our factory is located in the core area of the automobile industry cluster in the Pearl River Delta of China.

COMPANY PROFILE

WE SPECIALISE IN THE A/C HOSES FOR 20 YEARS.

WE ARE GOOD AT MANUFACTURING VARIOUS A/C JOINTS AND A/C PIPES ACCORDING TO DRAWINGS AND PHYSICAL SAMPLES.

120+

WORKER

80+

MACHINE

FACTORY

Technical Strength

R&D Team: More than 80 professional technicians, including 15 senior engineers

Testing Capability: Equipped with complete material testing, performance testing and durability testing equipment

Certification Qualification: Passed ISO9001, ISO14001 and other system certifications

Support and Services:

Our A/C Pipes product technical support team is available to assist you with any questions you may have regarding the installation, maintenance, and troubleshooting of our product.

We also offer a variety of services to help ensure the optimal performance of your A/C Pipes, including:

Installation support and guidance

Maintenance and repair services

Product testing and analysis

Customization and design services

Our team of experienced professionals is dedicated to providing you with the highest level of customer service and support.

Contact us today to learn more about our technical support and services for A/C Pipes.
