

## Fiesta AP31-19972-DA Ford Discharge AC Pipe For VI 1.4L 2011

### Our Product Introduction

for more products please visit us on [futureacparts.com](http://futureacparts.com)

#### Basic Information

- Place of Origin: China
- Brand Name: Freedom Future
- Model Number: AP31-19972-DA
- Minimum Order Quantity: Negotiable
- Price: Negotiable
- Packaging Details: standard packing, as customer demands
- Delivery Time: 7 - 15 working Days
- Payment Terms: L/C,T/T,etc.

#### Product Specification

- Pressure Rating: Up To 300 Psi
- Color: Silver
- Temperature Range: -40°C To 140°C
- Weight: Lightweight
- Oem Part Number: C1B119F618CC
- Flexibility: Flexible
- Material: Aluminum
- Resistance: Corrosion Resistant
- Installation: Easy
- Durability: High
- Highlight: Ford AC discharge pipe, Fiesta AC pipe 1.4L, Ford VI AC pipe 2011

## Product Description

### Fiesta AP31-19972-DA Ford Discharge AC Pipe For VI 1.4L 2011

#### Product Description

AP31-19972-DA Ford Fiesta Fits For VI 1.4L 2011 Discharge AC Pipe

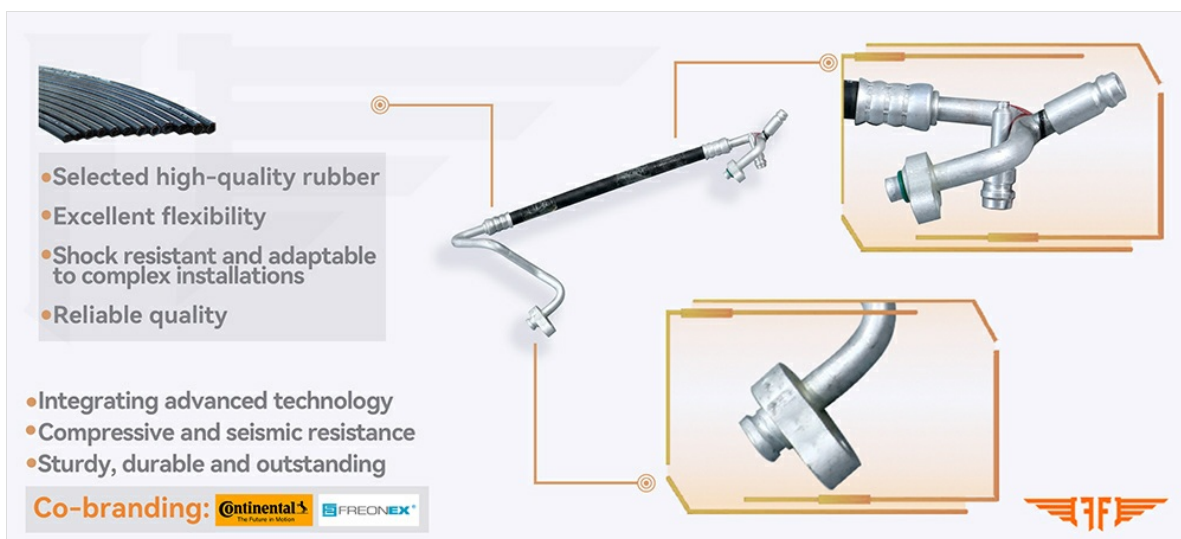

**OEM**  
**AP3119972DA**

**Fit For**  
**Ford Fiesta VI**  
**1.4L 2011**

Our air conditioning ducting features an aluminum construction with highly flexible hoses for easy installation in tight spaces. Designed to integrate seamlessly with your vehicle's AC system, it uses premium rubber/synthetic materials with reinforced braiding for superior pressure, vibration, and weather resistance. Engineered to withstand extreme temperatures (-40°F to 140°F) and complex road conditions while maintaining long-term durability and safety.

- Selected high-quality rubber
- Excellent flexibility
- Shock resistant and adaptable to complex installations
- Reliable quality

- Integrating advanced technology
- Compressive and seismic resistance
- Sturdy, durable and outstanding

**Co-branding:**  

## Technical Specifications

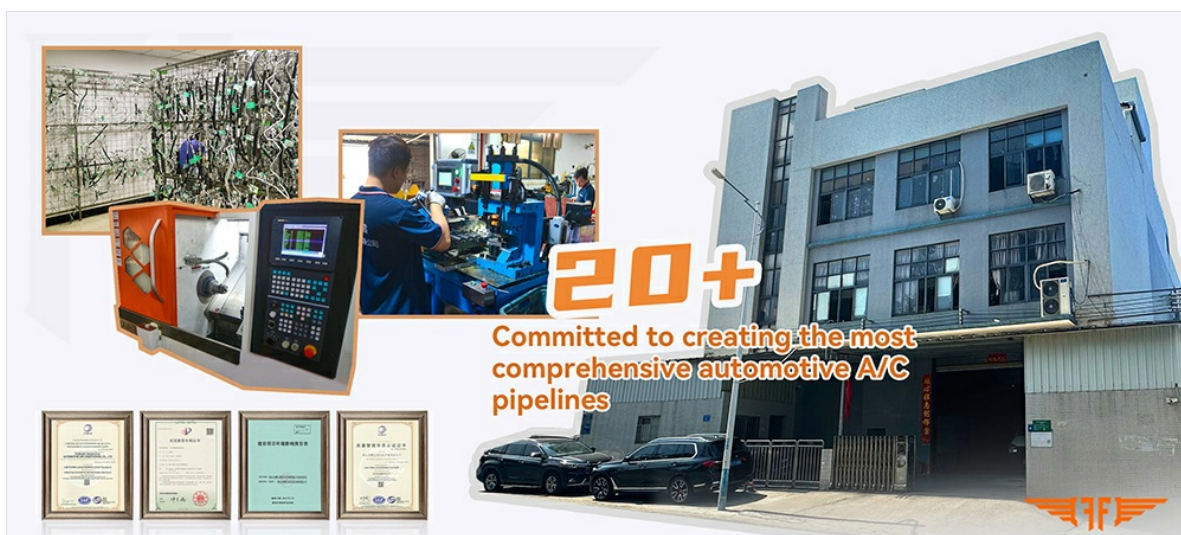

|                      |                                  |
|----------------------|----------------------------------|
| Shape                | Curved tubular structure         |
| Temperature Range    | -40°F to 140°F                   |
| Connection Type      | Withhold                         |
| Pressure Rating      | 300 Psi                          |
| Corrosion Resistance | High                             |
| Compatibility        | Compatible With Most A/C Systems |
| Color                | Silver/Black                     |
| Weight               | 1.5 Lbs                          |

## Applications

### About Foshan Free Future Auto Parts

Professional automotive AC parts supplier integrating development, production, and sales. Our parent company operates a factory in Foshan, Guangdong specializing in complete automotive air conditioning solutions including high/low-pressure pipes and components. Established in 2004, we provide OEM-quality parts meeting ISO 9001 and IATF 16949 standards for global automakers and distributors across North America, Europe, and Asia.

- Excellent teamwork
- Efficient and stable logistics
- Full peace of mind throughout the process
- Trustworthy

Continuous innovation and research and development, diverse accessories, supporting standards and customization.

We meet your needs in all aspects and are your trusted accessory supply partner.
