

Air Conditioning Suction BMW Pipeline 64509181829 Fit For 5 serie E60 2.5L 2008-2010

Our Product Introduction

for more products please visit us on futureacparts.com

Basic Information

- Place of Origin: China
- Brand Name: Freedom Future
- Model Number: B7005-3
- Minimum Order Quantity: Negotiable
- Price: Negotiable
- Packaging Details: standard packing, as customer demands
- Delivery Time: 7 - 15 working Days
- Payment Terms: L/C,T/T,etc.

Product Specification

- Pressure Rating: 300 Psi
- Color: Silver
- Temperature Range: -40°C To 140°C
- Weight: Lightweight
- Oem Part Number: 64509181829
- Flexibility: Flexible
- Material: Aluminum
- Resistance: Corrosion Resistant
- Highlight: **BMW AC suction pipe E60,
BMW 5 series AC pipeline,
BMW E60 2.5L AC pipe**

Product Description

Air Conditioning Suction BMW Pipeline 64509181829 Fit For 5 serie E60 2.5L 2008-2010

Product Overview

BMW Pipeline 64509181829 Fit For 5 serie E60 2.5L 2008-2010

Advanced Multi-Layer Construction

- Inner & Middle Rubber Layers:** Chloroprene rubber (CR) provides excellent anti-permeation performance with low refrigerant permeability and resistance to compressor oils
- Nylon Shielding Layer:** Nylon 6 material offers exceptional toughness, shock resistance and heat resistance while reducing refrigerant penetration
- Polyester Fiber Reinforcement:** Delivers high strength to withstand working pressure while maintaining pipeline integrity
- Protective Cover:** Chlorobutyl rubber (IIR) or EPDM provides superior weather resistance, heat resistance and vibration damping

C 型空调软管
Type C Air Conditioner Hose

适合制冷剂 / Applicable refrigerant
R134a, HFO-1234yf

Technical Specifications

Temperature Range	-40°C to 140°C (-40°F to 284°F)
Construction Material	Corrosion-resistant aluminum
Design Features	Lightweight yet durable construction
Installation	Easy installation process
Pressure Rating	High pressure (300 psi)

Applications

- Automotive air conditioning systems
- Refrigerant line replacement
- AC system repairs and maintenance

COMPANY PROFILE

WE SPECIALISE IN THE A/C HOSES FOR 20 YEARS,

WE ARE GOOD AT MANUFACTURING VARIOUS A/C JOINTS AND A/C PIPES ACCORDING TO DRAWINGS AND PHYSICAL SAMPLES.

120+  WORKER

80+  MACHINE

7000M³  FACTORY

Technical Support & Services

Our expert technical support team provides comprehensive assistance for all your AC system requirements:

- Installation guidance and support
- Maintenance and repair services
- Product testing and analysis
- Customization options

Contact our expert technical team for any questions regarding installation, maintenance, or troubleshooting of your AC hose system.
