

## 64536910802 Air Conditioning Suction Pipeline Fit For BMW E60 5 serie 2004-2005

Our Product Introduction

for more products please visit us on [futureacparts.com](http://futureacparts.com)

### Basic Information

- Place of Origin: China
- Brand Name: Freedom Future
- Model Number: B7005-5
- Minimum Order Quantity: Negotiable
- Price: Negotiable
- Packaging Details: standard packing, as customer demands
- Delivery Time: 7 - 15 working Days
- Payment Terms: L/C, T/T, etc.

### Product Specification

- Pressure Rating: 300 Psi
- Color: Silver
- Temperature Range: -40°C To 140°C
- Weight: Lightweight
- Oem Part Number: 64536910802
- Flexibility: Flexible
- Material: Aluminum
- Resistance: Corrosion Resistant
- Highlight: **BMW E60 AC suction pipe,  
BMW 5 series AC pipeline,  
2004-2005 BMW AC suction line**

Product Description

64536910802 Air Conditioning Suction Pipeline for BMW E60 5 Series (2004-2005)

Part Number: 64509223325 | Compatible with BMW E60 5 Series 2004-2005 models

Advanced Multi-Layer Construction

Our automotive air conditioning hoses feature an advanced multi-layer construction engineered for superior performance and durability in demanding applications.

Construction Features

**Inner & Middle Rubber Layers:** Chloroprene rubber (CR) provides excellent anti-permeation performance with low refrigerant permeability and resistance to compressor oils

**Nylon Shielding Layer:** Nylon 6 material offers exceptional toughness, shock resistance and heat resistance while reducing refrigerant penetration

**Specification Diversity:** Available in various specifications (Φ8, Φ10, Φ13, Φ16, Φ19) to meet the needs of different models and systems

C 型空调软管

## Applications

- Automotive air conditioning systems
- Refrigerant line replacement
- AC system repairs and maintenance

# COMPANY PROFILE

WE SPECIALISE IN THE A/C HOSES FOR 20 YEARS,

WE ARE GOOD AT MANUFACTURING VARIOUS A/C JOINTS AND A/C PIPES ACCORDING TO DRAWINGS AND PHYSICAL SAMPLES.

120+  WORKER

80+  MACHINE

7000M<sup>3</sup>  FACTORY

## Technical Support & Services

Our technical support team provides comprehensive assistance for all your AC system needs:

- Installation guidance and support
- Maintenance and repair services
- Product testing and analysis
- Customization options

### Professional Automotive AC Solutions

We specialize in automotive cooling nets, expansion valves, and air conditioning pipes. Contact our expert team for any questions regarding installation, maintenance, or troubleshooting of your AC hose system.
