

Volkswagen Polo Discharge Air Conditioning Pipeline Fit For 2010-2014 1.4L

Our Product Introduction

for more products please visit us on futureacparts.com

Basic Information

- Place of Origin: China
- Brand Name: Freedom Future
- Model Number: 100341
- Minimum Order Quantity: Negotiable
- Price: Negotiable
- Packaging Details: standard packing, as customer demands
- Delivery Time: 7 - 15 working Days
- Payment Terms: L/C,T/T,etc.

Product Specification

- Pressure Rating: 300 Psi
- Temperature Range: -40°C To 140°C
- Material: Aluminum
- Construction Layers: Multi-layer Reinforced
- Hose Type: High Pressure&Low Pressure
- OEM Number: 6R0820721D
- Inner Layer: Rubber
- Barrier Layer: Nylon

6R0820721D Discharge Air Conditioning Pipeline for VW Polo 1.4L

Multi-layer Reinforced Structure

Our A/C hoses adopt a high-strength multi-layer structure to ensure durability and safety under demanding operating conditions.

Typical hose structure includes:

- Inner rubber layer for refrigerant compatibility
 - Nylon barrier layer to prevent refrigerant permeation
 - Intermediate rubber layer for flexibility
 - High-strength fiber reinforcement layer for pressure resistance
 - Outer rubber protective layer for abrasion and environmental protection
- This design ensures excellent mechanical performance and long service life.

C 型空调软管 Type C Air Conditioner Hose

适合制冷剂 / Applicable refrigerant
R134a, HFO-1234yf

Superior Flexibility

The flexible rubber structure allows the hose to be easily installed in complex engine layouts.

Advantages:

1. Easy installation
2. Reduced vibration stress
3. Lower risk of fatigue cracking

High Pressure Resistance

The reinforced fiber layer provides excellent pressure resistance, enabling the hose to safely handle high-pressure refrigerant flow within the air conditioning system.

Wide Vehicle Coverage

We supply a wide range of automotive air conditioning hoses covering:

- European vehicles
- Japanese vehicles
- Korean vehicles
- American vehicles
- Chinese vehicles

Our catalog includes thousands of OEM reference numbers, making it easy for distributors and wholesalers to match vehicle applications.

EXHIBITION PARTICIPATION (FACTORY)

Custom Manufacturing Service

We also support OEM and customized production based on customer requirements.

Customization options include:

- OEM number development
- specific fittings and connectors
- vehicle-specific assembly designs

Our engineering team can assist in developing new products for aftermarket or OEM projects.
